Why should we support your charity?

The Crawfish Boil Foundation should support CASA of Hidalgo County, Inc because once you meet a foster, abused, or neglected child, you will understand. CASA Children are usually removed from their homes due to abuse and neglect and no one should live like that. CPS and CASA work together to find a safe, permanent, and loving home. These children live in foster homes, group homes, or with a family member who won't hurt them. Thee children deserve a happy moment as much as possible, and you can help bring a smile to a childs face by donating to CASA of Hidalgo County, Inc.

Thank you so much,
