**Organization W-9**

- [W9-FRANKLIN-ALL-RESCUE-TEAM.pdf](#)

**Amount sought**

\$10,000 (any amount greatly appreciated)

**What is the purpose of your charity?**

Our purpose is to reduce homelessness of the voiceless in the RGV through education and community engagement. In the last decade, we have saved thousands of lives in the RGV as well as assisted families in need of medical care for their pets.

**If selected, how will the organization utilize these funds?**

We aim to continue our spay/neuter initiative to include education and provide assistance to low-income families not able to afford such services. We have, and will continue to make appearances at local schools to educate students on proper pet care.

**Charities Contact Form : Entry # 129**

Community involvement is key in improving the lives of animals of the RGV.

**Will the organization provide volunteers to help with the setup and/or operation of the event?**

Certainly!

**How many volunteers will be available?**

At least 2

**Why should we support your charity?**

We are honest, hardworking warriors for abused, neglected and homeless animals. We have been saving lives without grant assistance for many years. However, your gracious donation can accelerate our vision of making spay/neuter accessible for all. Together we can mitigate overpopulation and reduce the unnecessary euthanasia of homeless cats and dogs in our local shelters.
