Amount sought

\$15,000

What is the purpose of your charity?

Palm Valley Animal Society is a non-profit animal welfare organization that acts as a beacon of progressive lifesaving in our region, proudly serving our community as the largest open-intake animal shelter south of San Antonio. With an annual intake of approximately 15,000 animals, we extend our compassionate care even further within the community. Our multifaceted approach encompasses a wide range of innovative programs, including adoption, rescue transports, foster care, volunteer initiatives, pet resource center, monthly pet pantries, and low-cost community vaccine clinics. Our overarching mission is to strengthen the bond between humans and pets, striving to save every life possible through our progressive lifesaving endeavors. By unifying our

community in these efforts, our ultimate goal is to transform the entire region into a no-kill lifesaving community and reduce the stray pet population.

If selected, how will the organization utilize these funds?

If selected, we will use these funds to provide vital pre-adoption care to the animals at our facility. This care is crucial in ensuring that pets are physically and emotionally ready to transition into loving homes. We will use a portion of the grant to cover essential veterinary services, including vaccinations, spaying/neutering, and routine health check-ups. We also plan to allocate a portion of the funds to enhancing kennel spaces by providing comfortable bedding and creating a more enriching environment to reduce stress and anxiety. This preparation will ensure that all animals are in optimal physical and mental health prior to adoption. By increasing the adoptability of our pets, we will increase adoption rates and prevent the euthanasia of homeless pets in our region.

Will the organization provide volunteers to help with the setup and/or operation of the event?

Yes

How many volunteers will be available?

20 (We can provide however many volunteers are requested for assistance)

Why should we support your charity?

By backing our cause, your foundation contributes to many benefits beyond our animal shelter's walls. Your support directly enhances the overall well-being of our community. Palm Valley Animal Society serves as a pillar for compassion, responsibility, and community engagement, fostering a sense of collective responsibility for the welfare of homeless pets in the Rio Grande Valley. A well-supported animal shelter plays a vital role in maintaining public health and safety. By providing a safe haven for homeless pets, we not only prevent the spread of diseases but also contribute to a healthier and safer environment for all residents.

Educational programs and awareness campaigns within the community also become possible with your support. These initiatives promote responsible pet ownership and instill empathy and compassion, creating a more harmonious and understanding society.

Economically, a well-functioning animal shelter positively impacts the local economy. Increased pet adoptions reduce the strain on public resources dedicated to animal control and management.

Pets contribute significantly to the social fabric of our community, serving as companions for individuals of all ages. By supporting Palm Valley Animal Society, more pets can find loving homes, enhancing the social bonds within our community and promoting mental well-being while reducing loneliness.

Your foundation's support will also encourage volunteerism and community involvement. Local residents often find purpose and fulfillment in supporting animal shelters, creating a sense of unity and shared responsibility for the welfare of our furry friends. Supporting Palm Valley Animal Society demonstrates your foundation's commitment to local causes that resonate with community values. It is not just an investment in homeless pets; it's an investment in the well-being, safety, and cohesiveness of our entire community.
