What is the purpose of your charity?

The RGVLC organization offers adult education classes to people who need help achieving their educational and career goals. Low cost adult education solutions for 18 and older: ESL, GED Prep), US Citizenship (Exam Prep), etc.

If selected, how will the organization utilize these funds?

The RGVLC will utilize the funds to go towards our teachers, including our Computer Training and upkeep. Our Financial Literacy classes are provided by local bankers teaching our students on important information.

Charities Contact Form (1) : Entry # 139**Will the organization provide volunteers to help with the setup and/or operation of the event?**

Our volunteers set up the classes, collect books, provide technical assistance and go where we would be beneficial for the community.

How many volunteers will be available?

We have a steady group of volunteers throughout the week and of all ages. Among our volunteers are also local authors as well.

Why should we support your charity?

We are the only literacy center in Hidalgo, Cameron and Starr County that provide these services to the lower socio-economic level. We do not turn them away if they are eager to learn but cannot pay the registration. We consider it a winning combination especially when children are involved and witness the reading behaviors of their parents.
